Dear Member,

Thank you for your valued membership at Sheridan Swim Club. We write you today on behalf of the Sheridan Swim Club Board to share information regarding our membership rate increases. The increase allotted for the next three (3) years represents a combination of the Minimum Wage Increase in Illinois and the increase costs of daily operations each year. Please review the new rates below which will start March 1<sup>st</sup>, 2024. The memberships at Sheridan are still a full 12-month contract. If you choose to switch your payment plan (yearly to monthly or vice versa) or you are interested in your contract date, please contact Sheridan and we can get you that information. We look forward to serving you for another year!

To receive our emails, please make sure we have your current email address.

Best wishes for a happy, healthy and successful future!
